Amplifying Our Efforts to Support Education

By Jackie Cuthbert

For Rotary Internationa, September is Basic Education and Literacy Month - and based on the stories we're sharing, District 6900 continues its strong support for education in our communities and around the world. Read about:

• Projects in our schools

• The opportunity for local students to be part of Rotary Youth Exchange

• The newest class of Global Grant students from Japan and GRSP students from around the world

• The Laws of Life essay program - and how your sponsorship can make a difference in young people's lives.

And there are opportunities for you to learn too - check out all the Rotary Leadership Institute (RLI) classes available for Rotarians. Read about how North Cobb has grown from 40 members to 100 in just 4 years. And learn about our process for selecting future District Governors and how you can help. [more]

From Our District Governor

Help Select Our Future District Leader

By André Marria

It is time to begin the process of selecting our District Governor for the Rotary Year 2026-2027. The elected individual will become District Governor on July 1, 2026. We want to be sure that everyone understands how the process works. We invite you to become more familiar with how the process works and to think about individuals who might be good candidates for this important responsibility.

Rotary International requires that the person nominated follow a two-year process of training and preparation before assuming the role of District Governor. During the 2024-2025 Rotary year, the selected individual will be the District Governor Nominee (DGN). This role include observation and training, and participation at District events. It also includes participation at the Rotary Zone 33-34 training institute 2024-2025 and Presidents-Elect Training Seminar and participating as a non-voting member of key district committees. During the 2025-2026 Rotary year, the selected individual will be the District Governor-Elect (DGE). Training and observation activities continue, including participation at the Zone training institute and at the Rotary International Assembly (an assembly and training program for District Governors-Elect from over 500 Rotary Districts in the world) in Orlando in January 2026.

Our district utilizes a Nominating Committee process. Your help in identifying qualified applicants would be appreciated. Please look within your club and within your Rotary network to identify those Rotarians who met the qualifications and have the desire to get involved at the district level.

Interested applicants must have the support of their club indicated by resolution and submit it along with their completed application and including a brief resume to District Executive Secretary, Teri White by November 1, 2023. Interviews of selected applicants, by the committee, will take place on Saturday, November 18, 2023.If you have questions, contact me, your AG, or call Teri White at 229-221-3935, or e-mail her at twhite@hurstboiler.com. Building an Irresistible Club: Simple But Not Easy

By Nancy Prochaska

Rotary International has emphasized the importance of making a bigger impact by increasing our membership. The Rotary Club of North Cobb has enjoyed significant growth. Four short years ago our club had 40 active members. This week we will induct our 100th and 101st active member! We have been asked how we accomplished this remarkable growth. The answer is: It is simple, but not easy! In fact, it is difficult, but well worth it! Creating and nurturing a warm, welcoming, engaging, productive, and dare I say, entertaining club takes creativity, planning, and effort. The North Cobb Rotary has put into action several key practices that attract potential members.

Congratulations to Rotary Citation and MAP Honorees!

By George Granade

The Rotary Citation is awarded by the International Rotary President to recognize the hard work clubs do throughout the year. Working to achieve the citation goals helps clubs engage their members, stay relevant in their communities, and run more efficiently. A welcoming and engaging club not only fosters a positive experience for its members, but also reflects the values of Rotary. When clubs achieve citation goals, they contribute to the overall health and culture of Rotary for generations to come.

The Rotary Citation is based on the citation goals one sets in Rotary Club Central. To achieve the Rotary Citation, review all the available goals, select at least half of them, achieve those goals, and report your achievement in Rotary Club Central. This past Rotary year, we had 24 Rotary clubs to achieve the Rotary Citation. They are: [more]

Empowering Girls with “Dignity Bags or It’s a Girl’s Thing Bags”

By Kay Williamson
On August 8, DG Andre’ Marria and Assistant Governor Susan Ferguson joined **Meriwether County Rotarians** to put together Dignity Bags or It’s a Girls’ Thing Bags for the girls within the Meriwether County School System. It's part of the club's ongoing Meriwether County Empowers Girls partnership with Meriwether County School System Wraparound Services Program. Through this partnership, the Meriwether County Rotary Club helps by providing feminine hygiene products within zippered dignity bags for girls within the school system.

Douglas County Welcomes DG Andre

By Nell Boggs

The **Rotary Club of Douglas County** was delighted to hear from District Governor Andre Marria at its August 14 meeting. Members found her passion for all things Rotary inspiring and her vision perfectly aligned with Rotary's tagline for the year: Create Hope in the World. Rotary members also learned about all the great work of the Nichols Center in Douglasville. The organization provides services and support for those suffering from mental health issues and drug dependency. We are proud that our fellow Rotarian Tara Nichols founded the Nichols Center in 2013. [more]

Marietta Metro Supports Education

By Sally Platt
Marietta Metro Rotarians kicked off Basic Education and Literacy month a bit early by participating in back-to-back events to benefit the Emily Lembeck Early Learning Center in Marietta. For the first event, a Health Fair, children painted kindness rocks at our station to place around the area. For the second event, the Reading Is Fun fair, we provided the preschoolers with goody bags that contained crayons, coloring books, and other school supplies.
We recently presented scholarships to three college-bound Interact students: Ashaf Kashif, Maxwell Crowson, and Liam Lepp. Students and their parents were honored at one of our club meetings.

The Power of Collaboration as We Serve the Community

By Jon Yaeger
September 11-17 of this year is Celebrate Community Week. John Hewko, the General Secretary and CEO of Rotary International wrote, *"we're encouraging Rotary and Rotaract clubs to partner with local Kiwanis, Lions, and Optimist clubs on a service project that will have a long-term impact in your community."*
The Rotary Club of North Atlanta (RCNA) got a head start this August.
For the past three years, the RCNA has hosted a used medical equipment collection day for FODAC (Friends of Disabled Adults and Children – a local non-profit that gathers, refurbishes and distributes wheelchairs, hospital beds, and other medical gear to those in need), joined by a local Lions club as well as the seven clubs in the DeKalb County Rotary Council and The Atlanta Metro Rotaract club. Marietta Team Feeds MUST Ministry Residents

By Marlys Williams
Teamwork is one of the most important tools as it relates to organizational efficiency. Phenomenal miracles were accomplished this past Thursday as a bare bones crew of seven Rotarians prepared and served a hot meal to 100 diners in a three-hour timeframe at the MUST Ministry Fishes and Loaves Kitchen with customers lined up end to end in the dining hall and out into the reception area. This is the largest number of diners present in several years. After MUST residents are provided for, MUST opens their kitchen to the local homeless. No one is turned away.
Gratitude, thanks and appreciation to all who turned out, leaned in, and made it happen.
The Rotary Club of Marietta in partnership with MUST Ministries has been preparing meals and feeding the homeless every 2nd Thursday of each month for approximately 20 years.

Roswell Updates Tablescape to Welcome Visitors

By Becky Nelson Going into our third month with our elevated tablescape, Roswell Rotary is no longer lingering in the COVID protocols. Our lunch meeting has been a chosen investment for new china plates, tea glasses, cutlery and tablecloths. The plastic/disposable items have been moved back into storage for picnics and to-go orders only. Our featured speakers for the 2023-24 year include Senators, Executive Directors, and phenomenal stories of personal triumph; President Alex wanted our tablescape and overall meeting environment to level up too. The response has been amazing with a full-room, tables of Rotarians and visitors chatting and new initiatives coming together. [more]

Trying Something New

By Pat Keating

The **Rotary Club of Harris County (Pine Mountain)** held one of its August meetings at a different time and different location. Our club is a breakfast club that has met every Wednesday at 7:45 AM since 1999. On August 16, the club met for supper at a popular local restaurant. President Court Dowis said, “The aim is to add variety to our old meeting schedule and break the routine of ‘same time; same day.’ And to give ourselves a more relaxed atmosphere than morning’s usual ‘gotta get to work’ urgency. It also makes it more attractive to spouses and prospective members. We will do this again every month in 2023-24.” [more]
