Celebrating the Holidays and the Spirit of Giving

By Steve Ivory

I hope everyone had a safe and wonderful Thanksgiving holiday with friends and family. This is a very exciting time of year as we head into holiday season. Most of you all are likely beginning to do lots of fun stuff like: shop, prepare to travel, plan to attend/host holiday parties with your clubs and family and friends and of course, close out the year for work. I wish everyone an amazing holiday season!

I want to remind you all, on behalf of RI President Francesco, that December is Rotary's Disease Prevention and Treatment month. There are many global gaps in physical and mental health care access. As Rotarians, we can help out with these causes and keep driving towards a polio free world and help those with mental health needs with our investments, support and training. Please remember

Our Rotary Foundation is “Tops” Again!

by Bob Hagan, District Foundation Chair

By Bob Hagan
Last month we got to share the successes of The Rotary Foundation and how fitting since it was “Foundation” month. Therefore, we looked at the successes internally. This month we have the opportunity to celebrate the external successes as seen by others about us. Here is a great “Did you know?” question: Did you know The Rotary Foundation was honored with a “Four Star rating” which is the top rating a charity can receive from Charity Navigator for the 17 th consecutive year? Read on for more about Charity Navigator ... and information about a video entitled, "Rotary's fight Against Polio: Global Programs and Updates from Pakistan." And don't forget that your donations to Polio Plus and The Rotary Foundation make a big difference in the world.

CART Contribution Update

Small Change Making a Big Difference

By Nancy Alterman

The mission of the CART (Coins for Alzheimer's Research Trust) Fund is to raise seed money for bold, early-stage Alzheimer's research—ideas that might otherwise go unfunded but have the potential to unlock breakthroughs in prevention, treatment, and ultimately, a cure. CART is unique in that 100% of all donations go directly to Alzheimer's research, empowering scientists to gather the initial data needed to secure major grants and advance innovative discoveries. In June 2025, the CART Fund announced six grant recipients were awarded a total of $2 million in funds for Alzheimer's research. What began as Rotarians contributing pocket change at weekly meetings has grown into a powerful grassroots movement. And once again, our clubs are showing how small acts of generosity can create big impact. This year, we've already collected more than $4,500 and there's time to do so much more. [more]

In 2026, why not resolve to help those less fortunate here at home and around the world? A commitment to the Paul Harris Society (PHS) can make that an easy resolution to keep. Members of the Paul Harris Society commit to giving $1,000 annually to further the humanitarian, educational and cultural work of our Rotary Foundation. [more]

Celebrating North Fulton's Foundation Giving

By Lee Hollingsworth

This incredible under-50 member club that started in 2000 continues to excel, inspiring generosity like few others. Foundation giving is a vital, self-less, and often difficult task that makes our grants possible. And North Fulton Rotarians have donated more than $900,000 to the Annual Fund in just 25 years as a club! Foundation Chair Doug Higgins, President Erik Bykat, and District Grants Chair Mike Mudd recently announced two new members of the Bequest Society: Club President Elect Dan Jenkins (his $50,000 Bequest leads the District) and Past President and Assistant Governor Joy Manbeck. This is after North Fulton Past President Richard Matherly committed the District's largest Bequest last year at $50,000. [more]
