From Our District Governor

Whirlwind of Activity as We Unite for Good ... and for Fun!

By Steve Ivory

I hope all of you were safe and sound as the US, including GA, experienced major weather events recently including sleet, snow, rain, snow. I hope none of you had too much hardship from the rough conditions. **DGE Cynthia Edwards** completed her International Assembly Training a few weeks ago so congrats to her! She also conducted training for district leaders in Peachtree City. And I survived another Rotary Youth Exchange trip to Disneyland - with 16 teenagers, participated in service projects at Bainbridge and Rotary on the Flint, and recognized Rotary Foundation supporters and long time member Don Millen. There's so much more you should know ...

Our Rotary Foundation

The Foundation's Work Continues to Reach Further

by Bob Hagan, District Foundation Chair

By Bob Hagan

As usual, there is lots to talk about and share with you all. I had the opportunity to put together some halfway through the year numbers of our DG Steve Ivory and he was extremely excited about where we found ourselves at this point in the year. So let me share them with you now. For District 6900, our annual fund goal for the year is $307,000, and as of end of December we are already at $347,000, which is 113% of the goal. Our Polio Plus goal for the year is $158,000 and we are already at $184,000 which is 116%! And there's much more good news ... including a global grant by the North Atlanta club that focuses on preventing birth defects associated with spina bifida in Ethiopia. [more]

In Memoriam

Celebrating the Life of Will MacArthur

By Margie Kersey

Rotary's world shines a little less brightly today with the passing of William "Will" MacArthur of Sandy Springs, Georgia—a devoted Rotarian, a joyful servant leader, and a beloved friend to many.

Will's Rotary journey was marked by unwavering dedication and an infectious spirit. Most recently a member of the Rotary Satellite Club of Stone Mountain Passport, he served as Foundation Chair and resident champion of good humor, lifting spirits as naturally as he lifted service projects. Before joining the Passport club, Will contributed profoundly to the Rotary Club of Sandy Springs, where he faithfully served three years as Treasurer, four years as Foundation Chair, and ultimately as Club President in 2017–18. His commitment only deepened after his presidency, as he continued to guide and encourage fellow Rotarians through three years as Assistant Governor, helping clubs across the district reach new heights. The awards were presented in December by Rotary Club of Roswell Committee Chair John Carruth, alongside GRSP Executive Director Katheryne Fields and Past District Governor Cheryl Greenway. Following a mission trip to Costa Rica in 2000, the Thomases were inspired to establish this award to support GRSP students in financial need who exemplify the Rotary motto of "Service Above Self." Since 2002, the Rotary Club of Roswell has administered this annual award, which has grown to two scholarships with $3,000 per recipient.

Once a Laws of Life Student - Now a UGA Bulldog

By Carol Gray Walker

More than two years after writing his Laws of Life essay in 10th grade, Georgia Laws of Life alumnus CJ Allen, linebacker for the University of Georgia Bulldogs, recently reminded us just how lasting one moment of reflection can be. CJ reposted his essay on Facebook with a simple caption: *"My 10th grade project on Laws of Life. Lol read this. Moral of the story—keep going."* His Law of Life — *"Everybody goes through something. It's all about persevering."* Do you want to read more of CJ's story? Are you and/or your club ready to work with schools, sponsor the program or judge this year's essays? Keep reading ... [more]

Roswell Adds Gratitude Wall to Weekly Newsletter

By Becky Nelson

With a focus on Service Above Self, the **Roswell Rotary Club** realized that it was not publicly recognizing fellow Rotarians when they showed up professionally for another member! In December President Trummie Lee Patrick III asked Kathy Igou (Rotascope Editor) to add a new section to our weekly newsletter after a conversation with Roswell Rotarian Hal Schlenger who was complimenting fellow RRC member Joe Mazzeo, a master plumber, for his prompt and professional response for a personal matter.
